Note that these are University of Saskatchewan courses; equivalents from other post-secondary institutions will be considered.

- Completion of three 30-credit unit academic years of university-level coursework towards the requirements of an undergraduate degree. An academic year is defined as two standard academic terms consisting of eight consecutive months (September to April).
- A cumulative weighted average of 75% over the two best academic years of study.
- Completion of 39 credit units of required pre-dentistry courses (or equivalents) with a minimum overall average of 70%
- Applicants must maintain BOTH of the following conditions for any coursework during the year of application: a minimum overall academic average of at least 75% AND a minimum 70% average on any pre-requisite course.
- Dental Aptitude Test
- Proficiency in English

Selection Criteria:

- Academic Record – 65% overall weighting
  - Cumulative weighted average of the best two 30-credit years
  - Applicants must have achieved a minimum cumulative weighted average of 75% over their two best academic years of study and must maintain an average of 75% in their current year of study.

- Dental Aptitude Test – 15% overall weighting
  - Reading comprehension (1/3)
  - Academic average (1/3)
  - Perceptual ability (1/3)
2020-21 Admission Requirements

Applicants will not be considered for admission if they have, in their best DAT score, achieved any of the following:
  - An Academic Average score of less than 15 or
  - A Perceptual Ability score of less than 14 or
  - A Reading Comprehension score of less than 14

- Interview – 20% overall weighting
  - Interview selection is based on the academic average of the two best academic years of study and the single best overall DAT score.

- Other credentials to be submitted after admission
  - Criminal Record Check and Vulnerable Sector Search

Categories of Applicants:

The College of Dentistry admits 34 students to the program each year. A minimum of 22 seats are reserved for residents of Saskatchewan and up to 12 seats for all other applicants regardless of residency. Applicants must designate their category on the online application form. All applicants must be Canadian citizens or landed immigrants at the time of application.

Saskatchewan Residents

Applicants must be Canadian citizens or permanent residents at the time of application. Applicants must have resided in Saskatchewan for at least four years immediately prior to September 1st of the year in which admission is begin sought. Applicants who left the province, but who previously lived in Saskatchewan for an accumulated period of 15 years (permanent residency), will be treated as residents. Applicants who have previously lived in Saskatchewan for an accumulated period of less than 15 years and who do not qualify under the four year condition will receive credit of one year toward the four year requirement for every four years of residency in the province. There are no exceptions of the four year Saskatchewan residency rule.

Canadian Applicants

Applicants are required to complete courses equivalent to those listed under Admission Qualifications.

Indigenous Equity Access Program

There is a separate category in which six first-year seats are reserved for persons of Canadian Indigenous ancestry. Applicants must meet the minimum Admission Qualifications, above. Applicants must achieve an acceptable rating on the interview and complete the Dental Aptitude Test (DAT). Applicants must identify themselves on the online application form. Applicants must provide proof of Aboriginal ancestry.
2020-21 Admission Requirements

Foreign Trained Dentists

This is a separate category in which one first-year seat is reserved for a foreign trained dentist. Applicants in this category will compete in a separate pool and must meet all of the following requirements:

- Applicants must have earned a dental degree from a recognized dental school outside of Canada or the USA.
- Proof of degree and official transcripts must be provided.
- Applicants must meet the Saskatchewan residency rules.
- If applicable, applicants must submit proof of English proficiency.
- Applicants must take the Canadian Dental Aptitude Test (DAT) administered by the Canadian Dental Association and meet the minimum requirements.
- Applicants must be interviewed at the University of Saskatchewan for the year in which admission is being sought.
- Applicants must provide a one page biography (curriculum vita) on the relevant dental experiences and other information that would be helpful to the Admissions Committee during the selection process.

Applicants will be evaluated on all the above criteria. Admission under the foreign trained dentist category is NOT guaranteed.

Special Case Category

The College of Dentistry may consider applicants with special circumstances with regard to any of the three 30-credit unit years of study, such that one or all years may have been completed over 12 consecutive months as part of a program requirement. All special case applicants will be considered by the college admissions committee and they will compete with other applicants in the general pool of candidates. Special case applicants that have met all other requirements must submit a letter to support their application explaining their special circumstances.

The College of Dentistry has no provision for special cases pertaining to the academic or residency requirements and letters will not be considered.

Transfer Students

There is no provision for accepting transfer students into the DMD program at this time.

International Students

Effective the 2016-2017 admission cycle, the college will no longer accept applications from international students.

Program(s): Juris Doctor (JD)

Admission Qualifications:

- Two full years of undergraduate study (60 credit units)
- Law School Admission Test (LSAT)
- Personal statement
- Proficiency in English

Selection Criteria:

Admission is at the discretion of the College of Law Admissions Committee, and in exercising this discretion the Committee considers the following criteria:

- Academic Record
- LSAT score
- Personal statement

Categories of Applicants:

Regular Admission

There is no resident requirement, but the college admissions committee gives a slight preference to applicants with a Saskatchewan connection, or residents of the Yukon, Northwest and Nunavut Territories, Prince Edward Island and Newfoundland and Labrador. (i.e. provinces and territories with no law college). A Saskatchewan connection may include: any immediate family connection to law school, parent, sibling, spouse or partner currently attending the University of Saskatchewan or partner currently living in Saskatoon area.

Aboriginal Admission

Applicants of Aboriginal ancestry should apply under this category. There is no quota for Aboriginal applicants. Aboriginal applicants are strongly encouraged to enroll in the Native Law Centre Summer Program (NLC Summer Program). While some applicants will be required to complete the NLC Summer Program as a condition of their admission to the College of Law, all Aboriginal applicants, conditionally or unconditionally accepted to law school will benefit immensely from the NLC Summer Program’s focus on legal reading, legal writing and legal analysis skill building. Program completion is considered a special supplementary predictor of success in law school by the college admissions committee.

Special Admission

The Admissions Committee will consider special applicants based on the Committee’s assessment of the applicant’s ability to cope successfully with the requirements of the JD Program. LSAT score is usually given significant weight. There is no formal quota under this category, but the number of seats are limited. Applicants under this category must complete all steps in the regular application process and provide additional documentation that includes:
2020-21 Admission Requirements

a) A statement explaining the nature of their educational disadvantage (which may include first language other than English, barriers resulting from ethnic or racial background, employment - or family obligations, significant interruption of post-secondary education)
b) Relevant supporting documentation such as medical reports.
c) Details of any relevant occupational experience or community involvement.
d) Two or three supporting letters of reference.

2020-21 Admission Requirements

College: Medicine
Program(s): M.D.

Admission Qualifications:

- Saskatchewan Residents
  Academic performance for Saskatchewan residents is based on all courses taken up to the awarding of a four-year Baccalaureate degree. The degree must be completed prior to entry into Medicine. Academic performance is reviewed for consistency or improvement, and to ensure that the MCAT requirement has been met.
  - MCAT Requirement:
    - All Saskatchewan resident applicants (including those eligible to apply through the Aboriginal Admissions Program) must complete the Medical College Admission Test (MCAT) prior to the application deadline.
    - For application for fall of 2019 for entry fall of 2020, no minimum MCAT section or sum scores will be required to apply, but the Admissions Committee will set a minimum acceptable MCAT sum score percentile once the scores of all applicants are known. MCAT scores must be obtained in one sitting prior to the application deadline. The earliest accepted scores for application 2019 for entry fall of 2020 are from January 2016. Only the most recent MCAT will be considered.
    - The Admissions Committee, in assessing an individual’s application, will review the MCAT section scores for consistency and for concordance of the MCAT total score percentile with the individual’s university academic average (UAA). Inconsistency within the MCAT section results, or discordance between the MCAT total score percentile and the UAA (e.g., MCAT result unexpectedly low based on the UAA), can serve as grounds for the Admissions Committee to remove an individual’s application from further consideration.
    - While prerequisite courses are not mandatory, applicants are strongly encouraged to complete courses in the subject areas of Biochemistry, Biology, Chemistry, English, Physics, Psychology, Sociology, and Statistics to ensure readiness for the MCAT, as well as, the basic sciences covered in the first-two years of the undergraduate medical curriculum.
  - Degree Requirement:
    - Application by Saskatchewan resident applicants (including those eligible to apply through the Aboriginal Admissions Program) can be made only during or after the final year of a four-year degree. The degree must be completed by the end of April of the year they are seeking admission.
    - The degree must be completed in ≤5 years.
    - A minimum university academic average (UAA) of 75% is required.
    - Applicants in a non-direct entry college can apply if ≥90 credit units have been completed prior to application. At least 120 credit units must be completed by the end of April prior to entry to the college.
    - Graduate level courses and degrees will be considered if it works to the applicant’s advantage.
2020-21 Admission Requirements

- **Out-of-Provience Residents**
  
  Academic performance for out-of-province resident applicants will be based on the MCAT total score percentile along with a required minimum UAA of 85%.

  o **MCAT Requirement:**
    
    - All out-of-province applicants must complete the Medical College Admission Test (MCAT) prior to the application deadline.
    
    - For application fall of 2019 for entry fall of 2020, a minimum of the 80th percentile for the test sum score and for each of the four section scores is required. MCAT scores must be obtained in one sitting. The earliest accepted scores for application 2019 for entry fall of 2020 are from January 2016. Only the most recent MCAT will be considered.
    
    - While prerequisite courses are not mandatory, applicants are strongly encouraged to complete courses in the subject areas of Biochemistry, Biology, Chemistry, English, Physics, Psychology, Sociology, and Statistics to ensure readiness for the MCAT, as well as, the basic sciences covered in the first-two years of the undergraduate medical curriculum.

  o **Degree Requirement:**
    
    - Application by out-of-province applicants can be made only during or after the final year of a four-year degree. The degree must be completed by the end of April of the year they are seeking admission. The degree must be completed within a 5-year period.
    
    - If applicants are in the final year of a four-year degree, a minimum of 90 credit units must have been completed in the 48 months prior to the end of August immediately before application.
    
    - All courses completed by the application deadline (or up to the awarding of the degree in the case where the degree has been awarded prior to application) will be used for the calculation of the UAA.
    
    - The minimum UAA required for application will be 85%.
    
    - The four-year degree must be completed by the end of April prior to starting medical training. All remaining courses completed after the date of application must minimally average 85%.
    
    - Graduate level courses and degrees will be considered if it works to the applicant’s advantage.

**Selection Criteria:**

- **Weighting**
  
  - The weighting of academic performance to personal qualities (College of Medicine Multiple Mini Interview – MMI) for Saskatchewan resident applicants is 20% MCAT; 30% UAA; and 50% MMI.
  
  - Out-of-province resident applicants invited for an interview will be ranked for admission based on 100% on the applicant’s performance in the MMI.

- **References**
  
  - The names of three referees and their contact information will be requested from applicants at the time of application.
  
  - Referees must have supervised the applicant in a research, employment or volunteer role.
  
  - References are not scored; they are used on a rule out basis.
2020-21 Admission Requirements

- Criminal Record Check
  - All applicants offered admission will be required to submit a criminal record check, including vulnerable sector screening, to the College of Medicine by the first day of Orientation of the year of entry.

Categories of Applicants:

Ninety-five of the first-year seats are reserved for Saskatchewan residents. To increase the number of Aboriginal physicians, 10 of the first-year seats are available for qualified, self-identified First Nations, Métis and Inuit applicants through the Aboriginal Admissions Program (Note: these seats are included in the 95 allocated Saskatchewan seats).

All applicants must have lived in Canada for at least three years prior to August 1 of the year in which admission is being sought and they must be a Canadian citizen or have Permanent Resident status by the application deadline of October 1.

Saskatchewan Residents

To be eligible to apply as a Saskatchewan resident, applicants must have physically resided in Saskatchewan for the three years immediately preceding August 1 of the year in which admission is being sought. However, applicants who have left the province, but have previously lived in Saskatchewan for an accumulated period of 15 years (permanent residency) will be treated as residents.

Applicants who have previously lived in Saskatchewan for an accumulated period of less than 15 years, and do not qualify under the three-year condition, will receive credit of one year toward the three-year requirement for every five years of residency in the province.

An exception to the three-year ruling may be made for members of the Armed Forces of Canada or RCMP, or for an applicant whose spouse, parent or guardian is a member of the Armed Forces of Canada or RCMP, who has moved to Saskatchewan due to being reassigned. In these cases, the applicant must have resided in Saskatchewan for at least 12 consecutive months immediately preceding October 1st of the year of application and obtained written approval prior to the application deadline to waive the three year requirement.

Individuals who have been in three years of full-time study at the University of Saskatchewan or the University of Regina directly preceding the date of entry being sought are considered to be Saskatchewan residents.

Applicants who meet the same criteria based on residency in Yukon, Northwest or Nunavut territory can apply as a Saskatchewan resident.

Canadian Out-of-Province Residents

Up to five the first-year seats may be offered to out-of-province resident applicants.
2020-21 Admission Requirements

Aboriginal Admissions Program

Ten of the first-year seats are reserved for persons of Canadian Aboriginal descent (with a preference for applicants meeting the Saskatchewan residency requirement and a maximum of five Aboriginal Admissions seats open to out-of-province resident applicants of Aboriginal descent) accepted through the Aboriginal Admissions seats each year. Note: Applicants of Aboriginal ancestry are first considered within the Saskatchewan pool, and if not competitive, then within the Aboriginal Admissions pool.

Diversity and Social Accountability Admissions Program (DSAAP)

The DSAAP will involve six of the first-year seats. The DSAAP seats are reserved for applicants that meet the Saskatchewan residency requirement. Saskatchewan residents will first be considered through the regular Saskatchewan admission rank number (ARN) process. If unsuccessful in achieving a regular offered seat, Saskatchewan residents who qualify through the answers they provide to a DSAAP supplemental admissions questionnaire will then be considered for a DSAAP seat. Self-declared Aboriginal applicants are not eligible for the DSAAP, instead they are similarly first considered through the usual Saskatchewan ARN process and then subsequently through the Aboriginal Admissions Program.

2020-21 Admission Requirements

College: Nursing
Program(s): Post-Degree BSN

Admission Qualifications:

- A complete baccalaureate degree OR 90 credit units towards a degree
- At least 36 credit units at the senior level
- Minimum weighted average of at least 70%
- Pre-requisite courses:
  - Statistics: 3 credit units
  - Nutrition: 3 credit units*
  - Indigenous Studies: 3 credit units
  - Microbiology: 3 credit units*
  - Anatomy and Physiology: 6 credit units*
  - Humanities: 3 credit units
  - Social Sciences: 6 credit units.

*Nutrition, anatomy and physiology, and microbiology pre-requisites must have been completed no more than 10 years prior to admission.

One deficiency is permitted in the following areas (Applicants must successfully complete the deficient pre-requisite by December 31 of the year they are admitted. Proof of completion is required by January 31):
  - Social Science: 3 credit units
  - Nutrition: 3 credit units
  - Indigenous Studies: 3 credit units.

- Proficiency in English

Selection Criteria:

- Academic Record – 100% Weighting
  - Average is calculated on the most recent 60 credit units of coursework towards a degree.
  - All courses towards a degree within each academic year must be included.
  - Coursework completed between January and April prior to May 1 admission will not be used in the initial admission average. However, the coursework can count towards the final admission average (if used to meet degree(s) program requirements) and pre-requisite requirements.
  - 90 credit units of recognized post-secondary study towards a degree must be completed by April 30 of the year of expected entrance to the program.

- Program Reference Form – required by applicants applying from another nursing program or those applicants who have completed a minimum of 6 credit units or equivalent of nursing classes in Canada. The program reference form will be used to assess the applicants suitability for admission, based on the applicants academic standing and previous performance in a nursing program.

- Other credentials to be submitted after admission
  - Respiratory Protection Fit Testing (Due date to be determined)
  - Criminal Record Check and Vulnerable Sector Search (must not be dated more than 6 months prior to submission)
  - Transferring Lift Repositioning (TLR) course
  - CPR – C Certification and AED

2020-21 Admission Requirements

- Immunizations
- Workplace Hazardous Materials Information System (WHMIS)

Categories of Applicants:

Regular Applicants
Applications are accepted on the basis of the required post-secondary coursework. Applications are accepted from residents of all Canadian provinces and international countries. Canadian or international residency status is not considered in the application process.

Aboriginal Equity Access
16.6% of the total number of seats are reserved for persons of Aboriginal ancestry. Applicants must provide proof of Aboriginal ancestry.

Special Case Admission to the Post Degree BSN
One student may be admitted as a special case admission into the Post-Degree BSN each May. Special Case admission is available to applicants who do not qualify for regular admission because their average is less than 70%. Special case admission is available to applicants who:

- Have a minimum average of 65% calculated in the same way as the regular Post-Degree BSN admission averages.
- Meet all other admission requirements including pre-requisite courses.
- Are not currently in a BSN/PDBSN Program

Applicants are considered on a case-by-case basis and the seat may not be filled each year. Students must apply to the Post-Degree BSN option by the posted deadlines and send documents required for admission by the posted document deadline.

If eligible for special case admission, the documents listed below will be requested:

- A resume and a letter to the Associate Dean outlining why you should be considered as a special case for admission. The letter should include:
  - Relevant Information on your academic record
  - Work/Life experience that highlights you as a special case for admission
  - Any additional education
  - Strategies for your success in the Post-Degree BSN option
  - Motivations for nursing
  - Please include the names and contact information of three people who can provide a reference, for example: academic (one only), work place (direct report), volunteer/community

Please note: Only short listed candidates will be called for an interview.

2020-21 Admission Requirements

College: Nursing

Program(s): Bachelor of Science in Nursing (BSN) (4 year)

Admission Qualifications:

- Minimum weighted average of 60% on 30 credit units pre-professional year with the following required courses:
  - English: 3 credit units
  - Indigenous Studies: 3 credit units*
  - Chemistry: 3 credit units
  - Biology: 3 credit units
  - Statistics: 3 credit units*
  - Nutrition: 3 credit units* (Must be completed no more than 10 years prior to admission year)
  - Psychology: 3 credit units
  - Social Science Elective: 3 credit units*
  - Elective: 3 credit units
  - Elective: 3 credit units

* A deficiency is allowed in one of these four areas. 50% is used in place of the deficiency in the average calculation. Applicants must successfully complete the deficient pre-professional course by December 31 of the year in which they are admitted to Year 2 of the BSN program and provide proof of completion of the course by January 31.

- Proficiency in English

Selection Criteria:

- Academic Record – 100% Weighting
  - Admission is competitive; applicants are ranked according to average and the top candidates are selected.
  - Average is calculated on the 30 credit unit pre-professional year; however, if a student takes a higher level course for which the pre-professional course is its pre-requisite, then the course with the higher average will be used in the admission average calculation.
  - For repeated courses, the highest grade will be used.

- Program Reference Form – required by applicants applying from another nursing program or those applicants who have completed a minimum of 6 credit units or equivalent of nursing courses in Canada. The program reference form will be used to access the applicants suitability for admission, based on the applicants academic standing and previous performance in a nursing program.

2020-21 Admission Requirements

Categories of Applicants:

Regular Applicants
Applicants are admitted on the basis of the required post-secondary coursework. Applications are accepted from residents of all Canadian provinces and international countries. Canadian or international residency status is not considered in the application process. Applicants select the site in which they prefer to study at the time of application. Applicants who select to study in Northern Saskatchewan must be residents of that area according to provincial geographical definition.

Aboriginal Equity Access
16.6% of the total number of seats are reserved for persons of Aboriginal ancestry. Applicants must provide proof of Aboriginal ancestry.

Transfer Students
Like regular applicants, transfer applicants are admitted on the basis of post-secondary work and must meet the same admission average.

Any transfer credit given for prior Nursing courses will be determined by the College of Nursing.

2020-21 Admission Requirements

College: Veterinary Medicine

Program(s): DVM

Admission Qualifications:

- **60 credit units of pre-veterinary courses (at least two years)**
  - Biology: 6 credit units
  - Chemistry: 6 credit units
  - English: 6 credit units
  - Mathematics and Statistics: 6 credit units
  - Physics: 3 credit units
  - Organic Chemistry: 3 credit units
  - Biochemistry: 3 credit units
  - Genetics: 3 credit units
  - Introductory Microbiology: 3 credit units
  - Electives: 21 credit units
- **Minimum cumulative average of 75% in all university courses**

Selection Criteria:

Selection is based on a number of factors including: mental aptitude, academic performance, motivation, maturity, experience with animals, leadership qualities, social awareness, deportment, verbal facility, and ability to communicate and an understanding and knowledge of the veterinary profession. These factors are assessed through the following criteria.

- **Academic Record**
  - At least two years of university courses are required to complete the pre-requisite course requirements.
  - Applicants must have a minimum cumulative average of 75% to be considered.
- **Interview**
  - Applicants are selected for interview based primarily on their academic performance.
- **References**
  - Two references are required: one must be a veterinarian, while the other must have an animal related or agricultural background.
- **Selection of Students**
  - Applicants are ranked for admission based on a weighted formula: 60:40 academic vs non-academic.

Categories of Applicants:

As a regional veterinary college, the program accepts applicants who are residents of the following western provinces and the northern territories into provincially-funded seats – also known as Interprovincial Agreement or IPA seats. The number of IPA seats is:

- British Columbia: 20
- Saskatchewan: 20
- Manitoba: 15
- Other**/Northern territories (Yukon, Nunavut and Northwest Territories): 1
- Education Equity Program: 2
2020-21 Admission Requirements

** Applicants with service to the Government of Canada (a member of the Canadian Forces, an RCMP officer or another similar role) who do not meet the criteria for residency under the rules described below may be considered through the Other/Territories designated seat. Service considered may pertain to the applicant, their parent or spouse. Applicants should contact the WCVM Admissions Office to determine eligibility.

All applicants must be Canadian citizens or permanent residents of Canada. Residents of foreign countries are not eligible to be considered for admission to the WCVM.

**Note:** IPA seat numbers posted above are minimum values and may increase. In addition to the IPA seats, the WCVM will be offering 10-25 non-IPA seats for fall 2020 entry. Non-IPA seats are available to applicants meeting the residency requirements for IPA seats as well as individuals meeting the residency requirements in the province of Alberta. Priority will be given to applicants meeting the IPA residency requirement over Albertans when filling the non-IPA seats.

Determining Applicants’ Residency

An interprovincial agreement between the WCVM and its partner provinces outlines definite rules to determine an applicant’s province of residence:

- In the case of an applicant who has not established his or her own residence and lived in that residence for 12 continuous months (excluding any time enrolled as a post-secondary student in or outside of that province), the WCVM will consider the applicant’s residence to be the province or territory of Canada where his or her parent(s) have lived most recently for 12 continuous months before the WCVM’s December 1 application deadline.

- In the case of an applicant who has established his or her own residence in a province or territory in Canada, the WCVM will consider the individual’s residence to be the Canadian province or territory where the applicant lived most recently for 12 continuous months before the WCVM’s December 1 application deadline. This 12-month period excludes any time enrolled as a post-secondary student in or outside of that province.

- In the case of an applicant who has established his or her own residence outside Canada and intends to re-establish residence in this country, the WCVM will consider the applicant’s residence to be the Canadian province or territory where he or she lived most recently for 12 continuous months before leaving Canada. This 12-month period excludes any time enrolled as a post-secondary student in or outside of that province.

- In the case of an applicant who is a Permanent Resident of Canada (as defined in Canada’s Immigration and Refugee Protection Act), the WCVM will consider the applicant’s residence to be the province or territory where he or she first resided in Canada under two conditions: the applicant has established his or her own residence in a Canadian province or territory but has not yet accumulated 12 continuous months without post-secondary study, and the applicant’s parent(s) do not reside in Canada.

- In the case of an applicant who is from the Northern territories, residency is defined by their own rules because the Yukon, Nunavut and Northwest Territories are not formal signatories of the college’s Interprovincial funding contract.
2020-21 Admission Requirements

Indigenous Applicants – Education Equity Program

Each year, two seats are available for Indigenous students through the Education Equity Program. Applicants must be residents of the four western Canadian provinces or the northern territories and will be considered for admission in both their provincial pool as well as the equity pool.

The WCVM requires proof of Indigenous ancestry that must be provided at the time of application.

Acceptable proofs of ancestry include a certified copy of one of the following cards:

- Indian Status or Treaty Card
- Métis Membership Card *
- Nunavut Trust Service Card
- Inuit roll number

* Métis Membership cards must be from provincial counterparts of the Metis National Council. Please see website:  www.metisnation.ca
